Lieutenant John Jackson of the 15th Regiment of Kentucky
Volunteer Infantry having applied for a certificate on
which to base his resignation I certify that I have carefully
examined this officer and find him laboring
under an Acute Articular Rheumatism and that
he has been laboring under the effects of that disease
for a period of thirty days
And that in consequence thereof he is in my opinion
unfit for duty. I further declare my belief that
he will not at any time be fit for duty and that
to remain in the service would not only produce
permanent disability but endanger his life

This communication
 though bearing date of
 yesterday did not reach
 me until in the night
 of this day - I fear that
 the reasons given by this
 officer for desiring to
 get out of the service
 will not be deemed suffi-

cient by the Gen Com.
 I am satisfied however
 that they are correctly
 set forth.

I will suggest additional
 reasons: which are that
 this officer has made
 three attempts to resign
 within the last year thus
 evincing a persistent
 desire to get out of
 the service and in the
 mean time has become
 exceedingly careless and
 slovenly and inefficient.
 He seems to have no
 regard for his duties, no
 ambition to excel in
 his performance.
 His remaining in the
 service longer would
 be injurious to it and
 to himself. I therefore
 earnestly recommend
 the acceptance of his
 resignation. At most

it; I have been in the service since

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1/2*, *3/4*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any other disease liable to be feigned or purposely produced; and in no case shall such certificate be given until a sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. I declare on oath that I have
carefully examined James H. Johnson
of Captain Kellogg's Company Colonel
McHenry's Regiment 17th Ky Volunteers
now in this place and find unable
to perform Military duty for the
following reasons There is inflammation
& swelling on the side of his face & loose tooth
on the same side caused as I believe by a
bullet that hit him in the face at
the battle of Pittsburg Landing the ball &
some loose pieces of bone I believe keeps up
the inflammation & must for some weeks
at least disqualify him for service My
information is that he was sent from
Pittsburg Landing to a hospital at Macon
Mississippi & then permitted to come home
on furlough to Henderson County Ky

ARTICLES OF WAR.

ART. 91. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 91st Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station short from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

ment that in a case such as this
where the vacancy caused by the

it had been substantially ratified
by the President (see Par. 1206,

3rd Lieut Jennings Co (I) 17 Ky Vols was introduced
and duly sworn in presence of the prisoner and
being interrogated, testified

That prisoner was placed in the Provost
Guard House of 3^d Division Army of Ohio
by Capt Vaughan Comdg Co (I) at Crab Orchard
Ky, does not know at what point he left or
that he had not leave to absent himself, did
not know he was absent until near the middle
of November. Witness is 2nd Lt of Co (I). Prisoner
was arrested and got back by Co (B).

He further states that Dayton complained
to Capt Vaughan that he had lost \$20. and
stated that he believed Jones had taken it
because he had seen ~~Jones~~ ^{Jones} fumbling round
his Cartridge Box - Capt Vaughan next
Morning ordered an inspection and on searching
the Cartridge Box of Jones found the money
in it, The Capt opened the Box and took out
the money, did not see the money counted,
does not know that it was marked, was green
backs, and amount was the same as the
money lost - Shane also complained of
having lost some money and it was found
in Jones' Box, did not see the money
counted, knows of no marks on it, saw the

(3)

2nd Witness

Wm J Peyton was called as a witness for the prosecution and being duly sworn in presence of accused was interrogated and testified

That Jones took from him \$20. they were sleeping on the ground together and witness was lying between Jones and private Shaw. Jones thought he was asleep and raised himself upon his elbow and felt witness' pocket, took his pocket Book out, it was the right pocket, took out of his pocket Book two ten Dollar Bills and then returned the Book into witness pocket.

Witness was awake at the time but said nothing because he wanted to see what Jones would do. Witness had \$100. in his pocket Book and Jones took \$20. put the remainder back in the Book and then returned it to his pocket. Witness then got up and went to the fire to examine his pocket Book and see how much was missing and again laid down. Then got up a second time and went and reported the matter to Capt Vaughan then Commanding the Company who advised him to say nothing about it till morning. It was dark and witness could not see the money when Jones was taking it out of the Book but felt him take the Book, and return it and heard the money rattle. Jones also got up when witness got up the second time.

In the morning Capt Vaughan ordered an inspection and found the money in the cartridge Box of Jones. Witness had

the Bills he had and the two Bills found
in Jones Cartridge Box Correspondence in
Number and ~~date~~ with those he had lost.
The Box was examined by the Capt and
Ordnery Sergt.

Accused declined asking any questions
of this witness. Upon this point.

Witness further stated that Jones took
Shanes Pocket Book and took some
money out of it but cannot say how
much it being dark he could not tell
but heard the money rattle. Jones tried
to put Shanes pocket Book into his (Witness's)
pocket but did not succeed and then
dropped the Book between Shane and himself
where it was found next morning.

Shanes money was also found in prisoners
Cartridge Box and returned to him by
Capt Vaughn

Prisoner declined asking any questions
3 Witnesses

Sergt Geo. C Merritt was introduced and
Aduy sworn in prisoners presence and stated

that he was present and assisted at the
examination of prisoners Cartridge Box.

The amt. of money claimed by Shane &
Rayton was found in it. They (Rayton &
Shane) had taken the \$0's and dated
the Bills. They claimed as Witness was
informed by them, does not know of his
own knowledge that the Bills found cor-
respondence in \$0 & date with those claimed
by them - did not count the money himself.
Capt Rayton counted it

(4).

St Col Stout, was then introduced and
duly sworn and being interrogated stated
that he has no knowledge that any
leave of absence was granted to Jones between
the middle of October 1862 and the 1st of
Jan'y 1863. Thinks none was granted -
was not however in command of Regiment
at the time

The testimony was here closed and

-ation proceeded to find the accused

NOTE 2.—The place where the soldier desires to be addressed may be here added.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.: to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharge by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 122: Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company or detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his endorsement thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; the report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. FINAL STATEMENT

Pie
OF
George Siefer
17th Regt of Kentucky Infantry
H,
VOLUNTEERS.

Disch April 27, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppage."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Captain Wm Keith 14th Ky Vol Reg having
Applied for a Certificate on which to ground an appli-
cation for leave of absence I do hereby Certify that
I have Carefully examined this Officer who was suf-
fering from Typhoid Fever under my charge at
the Genl Hospital at Tusculum Ala, & was brought
to this City under Special Order No 5 from Brig Genl
Thomas. & is now slowly recovering, & that in Conse-
quence thereof he is unfit for duty & leave of absence
is necessary for his Complete restoration to health -
I further declare my belief that he will not be
able to resume his duties in a less period than twenty
days. ~~that a change of climate is necessary to prompt permanent recovery~~

Witness my hand at Nashville Tenn this 13th day of

he is exceeding in popularity with the

stated by one or more officers that when he returns

Sir, I hereby tender my
resignation as First Lieutenant of Company F
of the 17th Regiment Kentucky Volunteer Infantry
and urge its immediate acceptance.

I am induced to take this step for the following
reason. Viz.

In November last I preferred charges against
Col. John H McHenry Jr. of the 17th Ky Vols. on account
of his order of the 27th Oct. 1862 with regard to
fugitive slaves. This has rendered me so very
unpopular with the officers of this Regiment that they
do not accord to me the respect and consideration
due to an officer. I have been paid to the 31st Oct 1862
Owe nothing to the Co. Master. Dept. and have no public property in possession

1 This resignation is respectfully forwarded with
an earnest recommendation that it be
accepted, as it is believed that this would
be for the benefit of the service because
Lieut King is exceedingly unpopular with the

Rev. George W. Kinooling Chaplain of the 17th
Regiment of Kentucky having applied for a certificate
on which to ground an application for a leave of absence I do
hereby certify that I have carefully examined this officer and
find that he has ^{had} Diarrhoea with fever for two weeks and a
generally debilitated constitution and that on consequence thereof
he is in my opinion unfit for duty. I further declare my belief
that he will not be able to resume his duties as Chaplain of
said Regiment.

The state of my
health is such at present, that
I find it utterly impossible to
attend to my official duties, the
more so as the regiment will
soon be on a march. My phy-

it my duty not less than to my-

which I now do. Very Respectfully

War Department,

Adjutant General's Office,

Washington, Sept. 27, 1887.

This man deserted on or about Dec. 7,
1862, but as he returned to the service on or about
Mar. 25, 1863, under the President's Procla-
mation dated March 10, 1863, and appears to have
complied with the conditions thereof (so far as not
waived by the Government), the charge of desertion
no longer stands against him. The record of the fact
that he was absent in desertion from on or about
Dec. 17, 1862, to on or about Mar.
25, 1863, cannot, however, be expunged.

Brown's Hospital

Dear Sir The
bearer Eli W Knight was a private
of Co E 17 Regt Ky vol Inftry (reg
old Regt). He was once during the
first part of his term of enlistment
absent without leave, but was restored
to duty with loss of pay and allowances
for time of absence by order of a
General Commanding a Division
And when I brought my Regiment
from Nashville to this place to be
mustered but I received orders to bring
no men with me who had time to
serve to make good lost time, but to
transfer such men to the 21st Regt Ky
I called upon the Commanders of Companies
for list of such men and the Commander
of Knight's Company furnished his name
This was done in the hurry of leaving
Nashville. I am satisfied that he

ought to have been discharged with
the regiment as he never was a
deserter and therefore had no time
to make good. But as the Mustering

Officer may differ with me on that
subject I wish to get him dis-
charged by virtue of a general
order lately published by the

War Department which says
in substance that all soldiers
absent from their regiments at
Hospital and who do not need
further medical treatment may
be discharged. Now Knight has been
at Brown's Hospital until recently
and I understand from the Mustering

officer that if the Surgeon in charge
of the Hospital where he has been
will certify that he does not need
further medical treatment and will
order him to report to the Chief Mustering
and disbursing officer of this State for discharge
that he will then discharge him. I have his
Descriptive Roll. Please send me word if
May D A W Stout

I write you about Knight & Crawford the officer in charge of the Hospital where he has been

filed with the records of the Provost
Marshal of the 2nd District of Ky., in
the Enrollment Div. n. & P. O.

June 2, 1864

My recollection is that
McHenry is a deserter -
He was mustered into
the service of the U.S. &
received pay as such &
remained with the
regt until the spring of
1862. He was a member
of the regt & private of Co H

Capt. Gibson.

Prov. March. & Dist of Kentucky,

Cumberland.

Captain.

William Ruff. a deserter from the
17th Ky. Inf. who was arrested here last
week and permitted to go to Cumberland.
worded as he alleged to obtain proof from
Col. McHenry, the former Col. of the 17th Ky.
that said Ruff had not been perjured into
the service of the U.S. but was attached to
the Regiment as a Butcher, has broken
his promise to be back here by Sunday. I
believe he is at present in Cumberland and
staying with Mr. his brother in
law. He ought to be immediately arrested.
as by the violation of his promise he has
forfeited his own guilt.

I remain Captain

Respectfully Yours &c

A Certificate of Disability

I declare on oath that I have carefully examined J. W. Latham of Capt R. L. Beckhams Company Co. (C) 17th Ky Regiment Col McKays Volunteers now at this place, and under treatment by me, and find him incapable for duty or performing the duties of a soldier. As he has been suffering with the Bronchitis since the 12th day of last April he has been in the Hospital in Paducah, St. Louis, and Evansville They have sent him back with feeling renewed, and I am perfectly satisfied that he will not be fit for service any more.

I have carefully examined Lieut. Little Co. 6. 1<sup>st</sup> Regt. Ky Vols according to your order, and find that he is suffering from a chronic inflammation of the mucous membrane of the bowels extending to the muscular coat, & attended with an ulceration of the large intestine. The latter condition supervened on the former after about four months standing, and has existed for about five weeks. His appetite is variable, and his stomach rejects all food unless it be of the mildest quality. His constitution is considerable, and his general appearance cachectic. It is my opinion that his life would be protracted by remaining in camp, and that it would be for the good of the service that his resignation be accepted. I have the honor to be
